**Last updated:** 28 April 2026    **Version:** 1.3

This disclaimer applies to all content, courses, videos, live sessions, community messages, algo output and other communication offered under the ARC brand via archybrid.io and its connected channels (Discord, email, social media).

## About the ARC brand

ARC is a brand name. The educational services under this name (ARC Invest course and 1-on-1 Coaching) are sold by **Oakmont Marketing & Consultancy**. The ARC Algo is provided under the same brand by **Wealth Wave Affiliation LTD** ("WWA", Czech Republic, CNB license 19819145), which as a regulated strategy provider carries all responsibility for the algo.

---

## 1. Educational and informational only

All information published under the ARC brand is **strictly educational and informational** in nature. Nothing said or written by Oakmont Marketing & Consultancy, its staff, coaches, affiliates or community members constitutes:

- > Personal investment advice
- > A recommendation to buy or sell a specific financial instrument
- > An invitation to enter into transactions
- > A guarantee of returns, profit or results
- > Financial, tax or legal advice

---

## 2. Oakmont Marketing & Consultancy is not an investment firm

Oakmont Marketing & Consultancy (provider of the educational services on archybrid.io) is **not** an investment firm within the meaning of MiFID II, the Dutch Financial Supervision Act (Wft), or equivalent regulations.

Oakmont Marketing & Consultancy is **not** supervised by:

- > The Dutch Authority for the Financial Markets (AFM)
- > De Nederlandsche Bank (DNB)
- > The European Securities and Markets Authority (ESMA)

We do not hold a license to provide investment advice, manage assets, receive or execute orders. We do not do any of these things.

The ARC Algo is provided by **Wealth Wave Affiliation LTD**, which operates under **CNB license 19819145** as a strategy provider. This license covers only the provision of trading signals through copy-trading infrastructure, not the provision of personal investment advice to individual clients. Oakmont Marketing & Consultancy is not a party to this license.

## 3. Your own responsibility

You are **solely responsible** for every decision you make based on information offered under the ARC brand.

This means:

- > You decide whether, when, how much and with what instrument to trade
- > You choose your own broker and open your own account
- > You deposit and manage your own capital
- > You accept the risks of every transaction yourself
- > You verify whether a strategy fits your situation, capital and risk profile

Oakmont Marketing & Consultancy and its staff **cannot** be held liable for losses, foregone profits or damages arising from your trading decisions.

For the algo, WWA is additionally your contracting counterparty and WWA sets the terms, risk disclosures and responsibility for the algo.

#### 4. Examples, case studies, signals

All of the following material is illustrative and educational:

- > **Course content (ARC Invest):** frameworks, video lessons, examples of historical trades
- > **Live sessions and Q&As:** discussions about markets, entries, exits, risk management
- > **Community messages (Discord):** ideas, observations, discussions from Daniel or other members
- > **1-on-1 sessions:** coaching on your process, not on your portfolio
- > **Algo output (ARC Algo, via WWA):** automatically generated signals based on a pre-programmed system. The output is governed by WWA's terms.

None of this is a recommendation to place a specific trade. If you decide to trade based on this material, you do so entirely at your own risk and responsibility.

#### 5. No guarantee of results – track record disclaimer

All historical performance figures, track records, screenshots, testimonials and performance claims published under the ARC brand (including but not limited to: annual returns, average monthly returns, total return, number of losing months, drawdown percentages, AUM and similar metrics):

- > Are **back-tested or historical** data, with no guarantee of future performance;
- > Are **not** a personal recommendation to follow the strategy;
- > Are **not** indicative of your individual results;
- > Are **not** investment advice within the meaning of the Dutch Financial Supervision Act (Wft) or equivalent regulation;
- > Where the data concerns algo performance, it is provided by **Wealth Wave Affiliation LTD** as a data source, not by Oakmont Marketing & Consultancy.

To use this data responsibly: you must independently verify the methodology, understand the assumptions, assess fit with your own capital and risk tolerance, and where relevant consult an AFM-registered (or locally-equivalent) advisor. Our publication of this data serves solely as illustration of

---

what a programmed system has historically done, not as a recommendation or prediction for your situation.

Factors that determine your results:

- > Your broker (spreads, commissions, slippage, execution)
- > Your capital and position size
- > Your discipline in following rules
- > Your psychological resilience
- > Market conditions at the time of your trades
- > Timing of your entries and exits

Your results may differ significantly from what is shown in marketing material, including in a negative direction.

---

## 6. When do you actually need personal advice?

Consider speaking with an AFM-registered **financial planner** or **investment advisor** if:

- > You want to invest a substantial part of your assets
- > You have questions about your tax position
- > You have a corporate pension, inheritance or special situation
- > You are unsure whether a product fits your risk profile

The AFM register: [afm.nl/en/consumers/registers](https://afm.nl/en/consumers/registers) For tax questions: consult a tax advisor or your local tax authority (in the Netherlands: [belastingdienst.nl](https://belastingdienst.nl)).

---

## 7. Exclusion of liability

To the extent permitted by law, Oakmont Marketing & Consultancy excludes any and all liability for:

- > Decisions you make based on ARC content
- > Trading losses or unrealised profits
- > Lost income or opportunity costs
- > Acts or omissions of third parties (WWA, brokers, platforms, payment providers)

For the full liability provisions, see our [Terms of Service](#) and [Risk Disclaimer](#).
